OBJECTIVE

Motivated and dedicated recent graduate in Computer Programming from Durham College with a passion for front-end development. Proficient in HTML, CSS, and JavaScript, with experience in various web development tools. Currently expanding my knowledge by learning React and working toward mastering modern front-end frameworks. Strong attention to detail, problem-solving abilities, and a commitment to delivering quality results.

EDUCATION

Diploma in Computer Programming

Durham College, Oshawa, ON

Graduated: August 2024

SKILLS

- Proficient in HTML, CSS, and JavaScript
- Familiar with Git and GitHub for version control
- Currently expanding knowledge of React
- Strong written and verbal communication skills
- Capable of working collaboratively within a team
- Experience with front-end frameworks such as Bootstrap

WORK EXPERIENCE

Customer Service Representative (December 2023 – Present)

BAR BURRITO, Oshawa, ON

- Provide outstanding customer service in a fast-paced environment.
- Efficiently can work in peak hours while maintaining accuracy and perfection in every order.
- Address customer inquiries, and complaints and resolve their issues to provide a satisfactory dine-in experience.

PROJECTS

Movie Website Landing Page

- Developed a fully responsive movie website landing page using HTML and CSS, ensuring a visually appealing design and smooth layout.
- Implemented various sections such as the "Movies" and "Upcoming" sections with optimized CSS for responsiveness.

Basic Calculator

- Designed and built a functional calculator using HTML, CSS, and JavaScript for performing basic arithmetic operations.
- Focused on creating a user-friendly interface with a simple and clean design.
